Re: Request to extract Item #9 from the July 11, 2017 Consent Calendar

Dear Sonoma County Board of Supervisors:

We respectfully request that Item #9, now on the July 11, 2017 Consent Calendar of the meeting of the Sonoma County Board of Supervisors, be extracted and moved to the regular calendar.

Because challenges to the attempt to sell the site of Community Hospital have arisen, we members of the Sonoma County Housing Advocacy Group believe it is prudent to have more discussion during the Board meeting regarding this matter. There should be an opportunity for concerned citizens to discuss this matter at the meeting and having the item "pulled from the consent calendar" for public comments is necessary.

Sincerely,

Stephen Harper
